**From Student to**  
**Software Developer**

## Entire Internship Process

To launch and complete a fully professional first Surat pilot batch of AnkCode's 12-Week Full-Stack Software Development Internship. The batch must prove:

- Students can gain real-world coding skills.
- The broken-repo + mentor + office model works.
- Students receive an internship certificate, GitHub portfolio, and skill scorecard.
- AnkCode can generate revenue and collect outcome

## 12-Week Full-Stack Software Development Internship

### Instructions:

- Please fill all fields accurately.
- This form is for screening and selection only.
- Submitting this form does not guarantee admission.
- Admission is confirmed only after payment and onboarding.

### SECTION A: PERSONAL INFORMATION

Full Name (as per ID) : \_\_\_\_\_

Date of Birth : \_\_\_\_\_ Gender : Male / Female / Other

Mobile Number (WhatsApp) : \_\_\_\_\_

Email Address : \_\_\_\_\_

Full Address : \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Current City : \_\_\_\_\_

Parent/Guardian Name : \_\_\_\_\_

Parent/Guardian Contact : \_\_\_\_\_

### SECTION B: EDUCATIONAL BACKGROUND

Current Educational Status : \_\_\_\_\_ Final Year / Recently Graduated / Other

Degree Program : \_\_\_\_\_ BCA / BSc IT / B.Tech / BE / MCA / Diploma / Other

Specialization / Branch : \_\_\_\_\_

College/University Name : \_\_\_\_\_

Year of Passing / Expected Passing : \_\_\_\_\_

Current CGPA / Percentage : \_\_\_\_\_

Programming Languages Studied (list) : \_\_\_\_\_

Have you completed any internship before? : \_\_\_\_\_ Yes / No

### SECTION C: TECHNICAL SKILLS & EXPERIENCE

1. Rate your proficiency in the following (1 = Beginner, 5 = Advanced):

| Skill            | 1                        | 2                        | 3                        | 4                        | 5                        |
|------------------|--------------------------|--------------------------|--------------------------|--------------------------|--------------------------|
| HTML/CSS         | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| JavaScript       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| React            | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Node.js          | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| SQL / PostgreSQL | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Git & GitHub     | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| REST APIs        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| Debugging        | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

2. Have you built any personal or academic projects? Yes / No

If yes, list up to 3 projects (name, tech stack, brief description):

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

3. Do you have a GitHub profile? Yes / No

If yes, paste link: \_\_\_\_\_

4. Do you have any experience with team-based software development? Yes / No

If yes, briefly describe: \_\_\_\_\_

---

---

---

---

---

---

### SECTION D: PROGRAM INTEREST & MOTIVATION

1. Why do you want to join the AnkCode Full-Stack Internship? (100–200 words)

---

---

---

---

---

---

---

---

---

---

2. What are your career goals after this internship? (50–100 words)

---

---

---

---

---

3. How did you hear about ExoTech?

- ☐ WhatsApp ☐ Instagram ☐ College notice ☐ Friend/Referral ☐ Existing institute  
☐ Other: \_\_\_\_\_

4. Are you willing to commit 3–4 days per week, 2.5–3 hours per day for 12 weeks?

☐ Yes / ☐ No

5. Do you have access to a personal laptop for the program?

☐ Yes / ☐ No

### SECTION E: ELIGIBILITY CHECK

| Criteria                                                                                 | Yes | No |
|------------------------------------------------------------------------------------------|-----|----|
| I am a final-year student or recent graduate in a relevant IT/CS field.                  |     |    |
| I have basic knowledge of at least one programming language.                             |     |    |
| I can attend sessions in Surat (offline) as per schedule.                                |     |    |
| I am willing to follow AnkCode's code of conduct and attendance policy.                  |     |    |
| I understand that the internship certificate is issued only after successful completion. |     |    |

### SECTION F: DECLARATION & CONSENT

**I hereby declare that the information provided in this application is true and accurate to the best of my knowledge. I understand that any false information may lead to disqualification. I consent to AnkCode collecting and using my data for program admission, communication, and evaluation purposes.**

**Signature:** \_\_\_\_\_

**Date:** \_\_\_\_\_

### For Office Use Only

| Field                     | Response                         | Field                | Response                |
|---------------------------|----------------------------------|----------------------|-------------------------|
| Application ID            |                                  | Pre-assessment Score |                         |
| Interview/Screening Notes |                                  | Eligibility Status   | Eligible / Not Eligible |
| Admission Decision        | Selected / Waitlisted / Rejected | Fee Payment Status   | Paid / Pending          |
| Roll Number Assigned      |                                  | Batch Code           |                         |

### 1. ELIGIBILITY & ADMISSION

- The program is open to final-year or recently graduated students from BCA, BSc IT, B.Tech, BE, MCA, Diploma, or related fields.
- Admission is confirmed only after:
- Submission of the complete application form
- Basic eligibility screening
- Fee payment via the official Razorpay link
- Issue of roll number and onboarding kit
- ExoTech reserves the right to reject any application without providing detailed reasons.

### 2. CODE OF CONDUCT

- Students must maintain professional behavior at all times, both offline and online.
- Use of abusive language, harassment, discrimination, or any form of misconduct will lead to immediate disciplinary action.
- Students must respect mentors, fellow students, staff, and the physical workspace.
- Students must not misuse any tools, software, or access provided by AnkCode.
- Personal laptops, if used, must be free from harmful or pirated software.
- Students must follow all instructions given by mentors regarding assignments, submissions, and team collaboration.

### 3. ATTENDANCE & PARTICIPATION

- A minimum attendance of 80% is mandatory for both offline sessions and online standups.
- Attendance will be recorded daily. Students arriving more than 15 minutes late may be marked absent for that session.
- Students must inform the mentor in advance if they cannot attend a session, with a valid reason.
- More than 3 consecutive unexplained absences may result in removal from the program without refund.
- Active participation in standups, code reviews, and team activities is compulsory.

### 4. ASSIGNMENTS & SUBMISSIONS

- All assignments must be submitted via the specified GitHub repository before the deadline.
- Late submissions will attract a deduction of marks unless prior approval is given.
- Students must follow the branch and pull request workflow exactly as instructed.
- Each student must fix assigned bugs, complete features, and submit proper pull requests with descriptions.
- Incomplete, plagiarized, or non-functional submissions will not be accepted.

### 5. PLAGIARISM & ACADEMIC INTEGRITY

- Students must write their own code. Copying from other students, the internet, or AI tools without understanding will be considered plagiarism.
- Use of AI tools (like ChatGPT, Copilot) is allowed only for learning and assistance, not for blind code submission.
- If a student is found submitting plagiarized or AI-generated code as their own work, they will receive a zero for that assignment.
- Repeated plagiarism may lead to removal from the program and withholding of the certificate.

### 6. EVALUATION & GRADING

- Students will be evaluated continuously based on:
- Evaluation Criteria      Weight
- Git & GitHub activity (commits, PRs)      10%
- Bug fixes & feature completion      30%
- Code quality & reviews      15%
- Testing & debugging skills      10%
- Communication & collaboration      10%
- Final team project & deployment      15%
- Technical viva & mock interview      10%
- A Skill Scorecard will be generated for every student based on the above parameters.
- The scorecard is an objective evaluation, not a subjective mark sheet.

### 7. INTERNSHIP CERTIFICATE CRITERIA

- The Internship Completion Certificate will be issued only if the student:
- Maintains at least 80% attendance.
- Completes and submits at least 80% of assigned GitHub Issues.
- Participates in the final team project and demo.
- Passes the technical viva and mock interview.
- Maintains professional conduct throughout the program.
- Students who do not meet these criteria may receive a Participation Letter or no certificate, as decided by the mentor

### 8. USE OF TOOLS & ACCOUNTS

Students will be provided access to:

- GitHub Organization (AnkCode)
- Discord/Slack workspace
- Project repositories
- Students must not share their credentials with others.
- Any misuse of tools, including pushing malicious code or deleting project files, will lead to immediate removal and legal action if necessary.
- Students must not use ExoTech resources for personal commercial projects without permission.

### 9. CONFIDENTIALITY & INTELLECTUAL PROPERTY

- Students may have access to certain internal documents, project plans, and codebases.
- Students must not share any confidential information with outside parties.
- All code and documentation created during the internship as part of ExoTech projects remain the intellectual property of ExoTech unless otherwise agreed.
- Students may showcase their GitHub contributions and deployed projects in their personal portfolio, with credit to ExoTech.

### 10. DISCIPLINARY ACTIONS

- ExoTech reserves the right to take the following disciplinary actions for violation of rules:
- Verbal/written warning
- Deduction of marks
- Suspension from sessions
- Removal from the program
- Withholding of certificate
- Legal action in case of serious misconduct, data breach, or property damage

### 11. GRIEVANCE REDRESSAL

Students can raise any concern or grievance by contacting:

- Program Coordinator – ExoTech Developers
- Email: [info@exotech.co.in](mailto:info@exotech.co.in)
- Phone/WhatsApp: +91 70697 85900

All grievances will be acknowledged within 48 hours and addressed appropriately.

### 12. DECLARATION & ACCEPTANCE

I have read and understood all the rules and regulations mentioned above. I agree to abide by the ExoTech code of conduct, attendance policy, evaluation criteria, and all other terms. I understand that non-compliance may result in disciplinary action, including removal from the program and withholding of the internship certificate.
